DETAILED ACTION

Response to Amendment

The reply filed on 10/25/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant argues that because all of the claims are directed to the same invention they should be examined together. However, an election requirement was made. By definition, an election requirement is directed to a single invention, but with multiple embodiments. Applicant is directed to review the election requirement dated 7/29/04 and select a single embodiment (read specie) and the claims that read thereon. Furthermore, claims 19-23, 25-29, and 31 depend on cancelled claims. Applicant is strongly advised to seek the services of an attorney. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Noah Kamen whose telephone number is 703 308 1945. The examiner can normally be reached on M-Th.
